Data Integration Tab

The screenshot shows the TestHound website interface. At the top left is the TestHound logo, which features a stylized dog head with a stethoscope. To the right of the logo is the text "TestHound". Below the logo and name is a navigation bar with four items: "Home", "My Account", "Archives", and "Help". Below the navigation bar is a yellow banner with the text "Harrington ISD - Data Integrations". On the left side of the page is a sidebar menu with the following items: "District Management", "Users", "Accommodations", "Auto Pilot", "Performance Tracker", "Data Integration" (highlighted in yellow), "Campuses", "Test Administrators", "Students", "Schedules", "Test Administrations", "Tests", and "Materials". To the right of the sidebar is a form with a "Vendor" dropdown menu. The dropdown menu is open, showing the following options: "Select", "Select", "806Technologies", "Edugence", "Eduphoria (Download)", "Illuminate", and "No Vendor". Below the dropdown menu is a "Submit" button.

The Data Integrations tab will allow you to send a nightly accommodations file to the vendor of your choice from the dropdown list.

[Data Integrations help page](#)

Note: It takes 24 hours before you can download a copy of the file you are sending as it will need to run overnight.

Also, if you just would like a copy of the file to review district accommodations but are not sending a file to a vendor, select no vendor.

Campuses Tab

- You can edit or add new campuses when needed. To edit a campus click on *Edit* to the right of the campus name.
- To add a new campus click on *New*.
- To update campus grade level, click on the name of the campus and use the Add Grade Level or Add Course drop down and select.
- [Click here for our help tab page on campus configurations.](#)

The screenshot displays the 'Campuses' configuration page for 'Harrington ISD'. The page is divided into a sidebar on the left and a main content area. The sidebar contains navigation links: District Management, Users, Accommodations, Auto Pilot, Performance Tracker, Data Integration, Campuses (highlighted), Test Administrators, Students, Schedules, Test Administrations, Tests, Materials, Reports, and Select Campus. The main content area features a 'Campuses' dropdown menu set to 'Cedar MS'. Below this, a form displays details for 'Cedar MS': DistrictID: 530900008, CampusID: 041, City: Harrington, and State: TX. An 'Edit' link is visible below the details. To the right, there are two dropdown menus: 'Administrators' (set to 'select') and 'Add Grade Level' (set to 'select'). Below these, a table lists existing grade levels with 'Remove' buttons: 8 Sixth Grade, 9 Seventh Grade, and 10 Eighth Grade. Another 'Add Course' dropdown menu is open, showing a list of course titles including Algebra I, Algebra II, AP US History, Biology, Chemistry, English I, English II, English III, Geometry, Physics, U.S. History, World Geography, and World History. A '2022 Copy' watermark is visible in the bottom right corner of the screenshot.

Test Administrators Tab

- The Test Administrators tab will allow you to control your list of test administrators that can be used during testing at each campus from the district level. You can add/remove test administrators from the district level. If your district receives files nightly this will be done for you automatically through your data feed.
- [District Test Administrators help page](#)
- [Data Templates help page](#) *If your district sends nightly files to TestHound your technology contact received the templates during onboarding and set feeds from your SMS/SIS to automatically update in TestHound for you. Therefore, you would not need to create an automatic upload unless [consolidating campuses for summer testing](#).*
- If your district **does not send files nightly**, you may use the templates **to create manual uploads**. When uploading remember the last file loaded will overwrite the previously loaded file. Be sure to include the entire district in the file for updates.

The screenshot shows the 'Test Administrators' tab in the TestHound interface. The page title is 'Bainbridge - Test Administrators'. There are navigation links for Home, My Account, Archives, and Help. The main content area shows a table of test administrators. The table has columns for Campus ID, First, MI, Last, Email, avl, and St. There are 8 rows of data. The table is titled 'Test Administrators: 384'. There are buttons for 'New', 'Activate', and 'Upload Data'. The table is sorted by 'avl' in descending order. The data is as follows:

Students Tab

You can use the *Students* tab in TestHound to view and manage students in your district.

[Student tab help page](#)

The screenshot displays the 'Students' tab in the TestHound application. At the top, there is a navigation bar with 'Home', 'My Account', 'Archives', and 'Help'. Below this, the page title is 'Bainbridge - Students'. A sidebar on the left lists various management options, with 'Students' highlighted in yellow. The main content area shows a table of students with the following columns: Campus, StudentID, StateStudentID, Name, Gn, Gr, 504, SpEd, LEP, and actions (Edit, Remove). The table contains 20 rows of student data.
