

Quick Start Guide

for

District Testing Coordinators

DISTRICT USERS

The **TestHound Quick Start Guide** is designed to provide the user with a quick overview of the content of each menu item and the order in which to proceed to begin using TestHound for the school year. For more specific information of the functionality contained within each menu item, please access the **Help** section available on the right side of each page within TestHound.

Below is an overview of the menu bar items:

1. The **HOME** tab will take the user back to the main home page.
2. The **My Account** tab will allow the user to change a password and adjust settings for email notifications.
3. To view archived data from the previous testing year, select the **Archives** tab.
4. To access videos and step-by-step directions click the **help** tab.
5. To sign up for our **FREE** webinars, select **help** and click the [Register for a LIVE TestHound Educational Session](#) link.

District Users

1. The Teachers, Students, Schedules, and demographic data are imported into TestHound nightly from your district's Student Management System (SMS). The **Processing of Data Updates** table on the right side of the browser page is used to verify that your SMS is sending data and Test Hound is processing data. You can control the status of the processing using the pencil icon.

Processing of Data Updates:	
Status	Last Update
Students: P	10/26/2023 3:28:00 AM
Test Administrators: P	10/26/2023 3:05:00 AM
Schedules: P	10/26/2023 5:16:00 AM

2. The **Users** section will allow you to view existing users, create and deactivate users, control access rights, generate a user list, and reset passwords.
